LETTERS DEPT.

ALFRED E. NEUMAN FOR PRESIDENT

Alfred E. Neuman's cover pitch for the Presidency must be a serious matter with you guys! You omitted the always-socko joke accompanying the UPC symbol.

Dennis Cochran
Long Beach, Calif.

CRYMORE VS. CRYMORE

Anything but dopey-looking!

"Crymore Vs. Crymore" was too much. It's terrible the way Mort Drucker and Stan Hart kept criticizing Dustin Hoffman's nose and (lack of) height! Dustin Hoffman is an outstanding actor and an extremely sexy man. Take it from *me*, he is anything but dopey-looking!

Laura Munger
Umatilla, Oregon

We can imagine what YOU look like!—Ed.

I only have one question for you, Mr. Drucker. If Streep has a nose like a ski-slope, and Hoffman has one like a wombat, why did you give the kid such a dinky, nondescript, little button schnoz?

Allison Radke
Ellensburg, Wa.

Congratulations! You guys beat all the mesmerized movie critics in discovering the flaw of this all-single-husbands-are-klutzes film: "How come a well-paid Advertising Executive like you can't afford to hire someone to help around the house and pick me up after school?"

Lawrence Leibowitz
Bronx, New York

A MAD LOOK AT SKATING

Sergio Aragonés's free-wheeling "A MAD Look At Skating" drove me to *rink!*

Allison Schupak
East Meadow, N.Y.

I marvel at the mileage Sergio got out of "Skating." For that matter, all his themes entail mounting laughs and variations no other funny-man could think of!

Fred Mann
Chatham, N.J.

THE MAD SOCCER PRIMER

In your "The MAD Soccer Primer," you forgot the chapter on the Americanization of soccer. Now we can listen to idiot sportscasters who know nothing about the game call all the plays wrong and contradict the referees. We can also watch the cheerleaders (generally football rejects) jump up and down at all the wrong times. Then again, there are the ever-popular shootouts to decide who wins the game, since in America there is no such thing as a tie. Yes, the bigger soccer gets in America, the more it resembles another American sport... *football!*

Michal Clements
Gainesville, Fla.

I showed my soccer coach Siegel's hilarious article. He thought it was a kick in the grass!

Bob E. Morton
Palo Alto, Calif.

MAD'S "THEY" AND "YOU" BOOK

Frank Jacobs and Paul Coker forgot one in their "MAD's 'They' And 'You' Book." THEY read a trashy, childish magazine like MAD. YOU like to see how the other half lives.

Jim Bardler
Paramus, N.J.

"THEY" (other magazines) charge inflationary prices: "YOU" (MAD Magazine) have high production costs but are reasonable, considering!

Mrs. Samuel Bagdon
Bayside, N.Y.

"THEY" believe everything that's told to them; "YOU" have faith in others!

Greg Wooten
Wickliffe, Ohio

I was particularly blown away by "MAD's 'They' and 'You' Book"!

Toni Ashwood
Ingram, Texas

MAD SPY'S LOSING STREAK

Spycial Prejudice??

I'd like to direct your attention to "Spy Vs. Spy." In your last 16 issues the White Spy has defeated the Black Spy five battles to three. Why is this? I happen to be a Black Spy fan. Come on, MAD Magazine, let's keep it 50/50!

Stuart Schneider
Covina, Calif.

Antonio Prohias may be partial to the White Spy because he's easier to draw!—Ed.

THE CROCKFORD FILES

"The Crockford Files" proves that Silverstone is one of the best MAD writers. The story was magnificent and delivered superb comedy with a little help from Torres. Keep up the good work, Silverstone!

Matthew Guimes
Wyckoff, N.J.

"The Crockford Files" proves that Torres is one of the best MAD artists. The art was magnificent and delivered superb comedy with a little help from Silverstone. Keep up the good work, Torres!

Matthew Guimes
Wyckoff, N.J.

In addition to his funny lines, Lou Silverstone's discerning ear has caught the unique speech patterns of Rockford and father. In the past, he has been unerring with Columbo and Baretta, too. What *next* for Silverstone?

Jeff McKinley
Santa Clara, Calif.

Silverstone dissects "Quincy" in this issue!—Ed.

NOAH'S ARK

Aside from his compressed menagerie, George Woodbridge is to be commended for his see-worthy Noah's Ark, on the back cover. You're fortunate to have a shipwright-artist who knows his scuppers, gunwales, and bulwarks from his elbow.

Hames Ware
Little Rock, Ark.

Why would Noah bring fish on board the Ark, when all that water was supposed to be coming?

Bryant MacQuinnan
Fox Chapel, Pa.

Because all that water was fresh water, and those were salt water fish!—Ed.

The only animal forms missing on Noah's Ark were dinosaurs. How come?

Tony Di Preta
Old Greenwich, Connecticut

The dinosaurs were over on the port side, facing Jaffee's Fold-In!—Ed.

MAD AMONG THE MIGHTY

In my library, along with the works of such authors as Winston Churchill, Eric Hoffer, William F. Buckley, Jr., Robert Ardrey, Stewart Udall, Adolf Hitler, Alexander Solzhenitsyn, Mari Sandoz, Chairman Mao, A. B. Guthrie, Jr., Ayn Rand, H. M. Worthington, and the like, are 195 bound copies of MAD, #24-#218. Can you tell me why?

R. C. Buckholder
Tucson, Ariz.

Because, along with all those dreamers, visionaries, reformers and malcontents, you need a sober chronicle of world events from 1955 until now!—Ed.

THE FARCE BE WITH YOU! DEPT.

A couple of years ago, they made a movie called "Star Wars." It was a smash hit, so they announced that they would make a sequel. Everybody thought it would be called "Star Wars II" ... but, lo and behold, they called it "Episode V"! Which means that "Star Wars" was actually "Star Wars IV," and "Star Wars VI" through "X" will be made after "V" but before "I" through "III"! In any case, they'd better surpass this sequel, which doesn't compare to the original! In fact...

Well, Princess Laidup, I'll be leaving now! The Bounty Hunters are after me! I've got a price tag on my head!

I can SEE that, Ham Yoyo, and believe me, you're not worth that much!

C'mon! Stop pretending you don't care about me ... and kiss me goodbye!

I—I would RATHER kiss a YUCKY ... if it weren't for the GERMS!

Oh ... I think the Yucky could handle your germs!!

Please ... ! Stop all this bickering!! Must you two always act as if you're MARRIED ... ???

Bleep ... Breet

Besides ... ! Bar-Stool says Lube Skystalker still isn't back from patrol, and his chances of survival are only one in 12,345,789!!

Bleep ... Blap ... Zeet

Of course, Bar-Stool's chances of being CORRECT are only one in 12,345,790!

WRT DRUCKER

STAR THE EMPIRE STRIKES OUT BORES

Arrgg! Arrgg!

Poor Chewbacca! Is he crying because Lube isn't back yet?

No, he's crying because this is the **THIRD** planet we've been on that doesn't have **BANANAS** growing on it!

Well, I'm going out to look for Lube!

With the temperature falling, your Wonton will freeze to death in 20 minutes!

No, he won't! This morning for breakfast, instead of his usual Chicken Soup, I gave him a bowl of **ANTI-FREEZE!**

I'm doomed! A creature captured me and I'm ...

It's **OLDIE VON MOLDIE!** Oldie ... what are you doing **UPSIDE-DOWN** ... ?!?

Lube ...

Lube, you idiot! **YOU'RE** the one who's upside-down!

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

Lube, listen to me! You must go to the Dairybar System! There, you will learn from Yodel, the Jet-Eye Master who taught me!

Sounds great, Oldie! But first, who's going to teach me how to get down from **HERE?**

Your lightsaber is nearby! Whatever you **WISH** into your hand shall **BE** in your hand!

Really?? Then **FORGET** about the lightsaber! I'M going to wish for a sexy **BLONDE** with a big pair of scissors!

Lube! Thank God you're alive! I've brought you some food! But first, I must get you warm! I'm cutting open my dead Wonton and spreading his intestines and his liver and his kidneys all over you! That'll get you warm! Now about the food—

Ulp! Choke! Gagg!

Er, Ham ... **FORGET** about the food! I seem to have lost my—ulp—appetite for some reason!!

I FOUND them! I FOUND Lube and Ham! And they're both fine, despite that blistering storm!

Lube used The Force to create some palm trees and sunshine!

How's Lube, Doc? Did being out in that FRIGID COLD all night do any damage?

No! But some idiot covered him with animal guts! THAT did damage! But now that he's in the Hydro-Bath, he's no longer suffering from GUT EXPOSURE!

Then why does he LOOK like he's in pain???

Because NOW he's suffering from DROWNING!!! TOO MUCH HYDRO-BATH! STOP THE HYDRO-BATH! Remove the RUBBER HYDRO-DUCK!!

Ham, now that the emergency is over, why not get on your 90-ton broom and fly out of here?!

Princess, sometimes I think you forgot how to be a woman!

Oh? What makes you say that?

Well... for openers, you have your BRA on backwards!

C'mon, Princess! Stop pretending you dislike me! Last night, you showed your TRUE feelings for me!

As I recall, last night, I kicked you in the rear thruster!!

Yeah, but not all that hard! If that isn't love, what is?!

I'LL show you how much I love you, Ham Yoyo!!

That broad's got great lips, but lousy eyesight!!

Princess... we have a visitor!

It's not at the door! It's on the radar screen! See?

Tell him we gave at the other planet!

Good Lord!! It's a stainless steel COCKROACH! Those things get more indestructible each century!

I'm afraid that was an Imperial Droidle! Which means they know that we're here!

We have to vacate...

No! My plan is to remain here, and nothing will upset my plan!!

Oh, yeah?? How about if I KISS you...??

That MAY upset my STOMACH... but not my plan!!

Excuse me, Your Royal Highhandedness, but we've received a very fragmentary report from one of our Probe Droides in the Zoth System! It's such a slim lead that I hesitate to mention it...

That's it! That's EXACTLY where Lube Skywalker, the Princess and the rebels ARE!

But out of ten million places to hide in the universe, why THERE?

Why NOT...???

Good Lord, your Imperial Logic is overwhelming! We shall attack Zoth at once!

Princess Laidup, six Star Destroyers are on their way here...

We'll open the Energy Shield for a moment to let the Fighters out...!

Fighters against Imperial Star Destroyers...?!

Don't worry! I'll make sure you're covered by our Ion Cannon... and by our Major Medical Policy!

These Imperial Klunkers have armor so thick, our lasers bounce off them! Which is why I'm making a pass across this one's legs with a clothesline!

It worked!! It worked! Did the clothesline tangle up the Klunker's legs and TRIP it?

No, the clothesline had all our Yucchies' dirty laundry on it! When the Klunker puts its leg up to its nose to block the smell, it FELL OVER!!

We've been HIT! Hold on tight!! I'll try to find a CLEARING to crash-land into!

A CLEARING?!? This planet has a million square miles of flat ice... and he's going to look for a clearing!

I may have crash-landed my Fighter, but I'm still going to try to destroy another one of those Imperial Klunkers!!

Take THAT!! Hee-Hee-Hoo-Hoo-Hah-Hah!!

You've got to know exactly where to TICKLE those silly things!!

Hold on, Princess! It's time to leave!

Hah!! Do you really think this bucket of bolts will get us OUT of here!!?

Hey, this is the Aluminum Falcon! This baby's still got a lot of surprises left in her!!

Sir! The entire control panel just shorted out!

See? There's ONE SURPRISE already! And there should be plenty more!!

Well, Princess, I DID manage to get us out of one very tight jam . . .

Look! We're entering an ASTEROID BELT!!

And into another very tight jam! Creepio . . . what do you recommend for ASTEROIDS?

May I suggest you try Preparation H?

Well, Bar-Stool! Here we are on the planet Dairybar!

Oh, I'm sure it's perfectly safe for Droidles! What I'm worried about is: Is it safe for HUMANS?! But after seeing snow and ice for so long, it's nice to have a change of scene . . . Slime, muck, quicksand, snakes, bats, mist . . .

Bleep Blap Boop Bleep

Beep Bapp Boop! Bleep Screeep!

Yeah . . . I'M beginning to miss the snow and ice, too!

Welcome to Dairybar! May I help you?

SLIMY MUDHOLE?!? This is my HOME!

Why . . . yes! I'm looking for a great warrior and Jet-Eye Master named Yodel! I KNOW it seems strange to be looking for a person like that in a slimy mudhole like this, but—

Well, I don't exactly consider YOU to be MR. CLEAN!

I am Yodel! I can teach you everything! How to levitate objects, how to fight with a lightsaber, how to transmute metals, how to catch flies on your tongue! I also give an advanced course in "Cute"!

Good! Let's get started!

The FIRST thing you must learn in patience!

Don't talk to me about patience! I've got tons of patience! Now—let's get going, you slimy twit!!

There's something STRANGE about this asteroid cave we've landed in!

Y-Y-You mean the way the rocks are shaped? That one looks like a giant liver . . . and that one looks like a giant stomach . . .

The one that worries ME is the one that looks like a giant HEART . . . mainly because it's BEATING!

Let's get out of here!

Holy cow! Will you look at that . . . ?!
Is this "Star Wars V" or "Jaws III"??!

Well, Princess . . . I sure got us out of
tight spot number two with no trouble!

Imperial Starship
dead ahead, Sir!

And right into tight
spot number THREE!!

There's the Aluminum
Falcon! He's driving
directly at us, head
on! He must be crazy!

That, or
he's got
No-Fault
Insurance!

Excuse me, your Royal
Hardhat, but the Falcon
has totally disappeared!
I feel so bad about los-
ing it, I could just die!

Your
wish
shall
be
granted!

GHACCKK!!

Chewbacco,
covering the
top of the
Falcon with
KRAZY GLUE
was a stroke
of genius!!

Now that
we're stuck
here, how
are we go-
ing to get
away again?

They have to
dump their
garbage be-
fore they
can go into
lightspeed!

Fantastic!
This ship
LOOKS like
garbage,
so they'll
never
notice us!

You've learned well, Lube!
I have taught you how to
lift objects like rocks
and plants and heavy cases!
You may be a Jet-Eye, yet!

Can you teach
me how to
lift wallets
and watches?

Then
again,
maybe
all is
lost!

Wait a minute!
I'm seeing a
vision of my
friends! They
are being be-
trayed! I must
GO to them!

Ah! You have
been given
the gift of
clairvoyance!
What are you
seeing now?

I'm seeing an Operator, from
Galactic Bell, asking for \$40
for the next three minutes!

I wondered how long it would
take the Telephone Company to
find a way to charge for ESP!

That's the planet Bedpan! They KNOW me, so we can hide there!

W-Why are they shooting at us?

Like I said.. they KNOW me!

I am Landough, The Handsome! And you—you are truly beautiful!

Well, thank you! That's always nice to hear...!

I was TALKING to the BROAD!

Are you having problems with your Draidle...?

Er... no! He just woke up, and he's having trouble pulling himself together! However, when he TALKS, it all comes out gobbledygook!

Someone must have fitted it with a voice box for a Politician! They are EASY to fix!

MOST Politicians ARE!!

Sorry, Ham! I had to make a deal to keep the Imperial Forces off my back!

You invited Dart Zadar to dinner?!

Don't be so shocked! I know he doesn't eat out much! But for you he made an exception!

I plan on deep-freezing Lube Skywalker the moment he arrives on Bedpan in a vain attempt to rescue you! Meanwhile, I will freeze Ham Solo as a test...! Lower him into the chamber...!

Well, Ham... this looks like the end! I LOVE you!

He SAID III He SAID it! He LOVES ME!

So do I!

No, I meant I love ME, too!

The freezing process has taken place! Did Ham Yoyo survive?

Gee, I really don't think so! He looks like Creamed Spinach!!

Excuse me, my Lord! That IS Creamed Spinach!

Ham Yoyo is in the other container... and he DID survive!

So he'll be around for "Star Wars VI" at least!

So, Lube Skystalker, you've come here in a stupid attempt to save your friends! Well, your destiny lies with ME...!!

I will give you wealth... power... spaceships... a galaxy all your own...

... and beautiful girls...

How MANY beautiful girls!?

Never!

You're wasting your breath!!

Get angry at me, Lube! When your anger starts, your power ceases!

Get ANGRY at you? Whatever for? I don't GET angry! Besides, I put on one of those extra dry deodorants this morning! I'm calm and cool and I have no underarm wetness!

Okay, Lube! You asked for it! Now let's see you get angry! I've cut off one of your hands! What do you say to that??

I APPLAUD you! Only it's not going to be TOO LOUD!

I have more good news! I am your Father!!

No! No! It can't be...!

That's it! You're getting angry! I AM your Father! What are you going to do about it?!

I'm NOT going to send you a Father's Day card, if that's what you're hinting at!!

In that case, I push you off this planet... and into the void of space!!

You're certainly MEAN enough to be my old man!!

We escaped from Bedpan, but we've got to go back! Lube just sent me a "THOUGHT MESSAGE"! He's in big trouble!!

Turn this ship around... and give me \$47.00 for the Thought Operator! Lube was thinking "Collect"!

Now that we've picked up Lube, how's he doing?

Fine!! I think his leg will be okay!

His LEG?! I thought Zader cut off his HAND!!

Zader DID cut off his hand! I broke off his leg when I pulled him aboard the Falcon!

Well, Lube, we've given you a new arm and a new leg! You've got nothing to complain about now!

Hmmmmmm! I'm not so sure about that!

There goes Landough and Chewbacco in the Falcon! I thought we should try to find Ham Yoyo, and I ordered them to set a course of N-30°-W-17°!

But, Princess... the ship with Ham and the Bounty Hunters was last seen going in the opposite direction!

I KNOW! I said we should try to find Ham Yoyo! I DIDN'T SAY we were in any particular hurry!

AND SO ENDS EPISODE V OF "STAR BORES!"

WHEN LANDOUGH AND CHEWBACCO FIND THE FROZEN HAM YOYO, WILL HE CONTINUE TO GIVE PRINCESS LAIDUP THE COLD SHOULDER?

WILL CREEPIO KEEP BABBLING ON ENDLESSLY AND FINALLY BE ELECTED TO PUBLIC OFFICE?

WILL DART ZADER STOP BEING "MR. NICE GUY," AND REALLY TRY TO DESTROY LUBE SKYSTALKER?

WILL ANY OF US REALLY CARE WHAT HAPPENS, AFTER ANOTHER TWO-YEAR INTERMISSION...??

POWER TO THE PUPIL DEPT.

A while back (in MAD #198, we reprinted the secret catalogue used by Boards of Education throughout the country to order all those cheap, junky classroom supplies that are notorious for making school officials rich while they make students retch. Well, MAD soon received piles of angry letters from school kids, all contending that students should have their own catalogue of sneaky supplies in order to survive the daily battle with insensitive teachers and brutal classmates. What the letter writers obviously didn't know is that such a catalogue already exists. It's put out by a few small, underground dealers who are dedicated to making life tolerable for kids while they're making a fast buck for themselves. So, as a service to those who want to be thoroughly equipped for the rigors of modern school life, we at MAD now reprint the latest edition of the . . .

EVERYDAY CRIMES THAT

ARTIST: HARRY NORTH, ESQ.

Conspiracy To Reveal Movie Plots

A serious infraction chargeable against any movie goer who has seen a picture before and insists on revealing the suspenseful details in a loud voice that you can't help overhearing. This crime shall be punished by chaining the perpetrator to his theater seat for an entire Nelson Eddy-Jeanette MacDonald Film Festival . . . after which, he must remain awake long enough to describe the plot of each picture in detail.

Malicious Shpritzing

The high crime committed by clods who deliberately install their lawn sprinklers in such a way that no pedestrian can pass their house without suffering drenched feet and ankles. A first offender convicted of this crime shall be required to stand at attention in his front yard through one entire cloudburst. For the two-time loser, the punishment shall be increased to total permanent drowning by means of hurricane.

Forced Nuzzling With Accompanying Bad Breath

A form of unacceptable behavior that violates the civil rights and the nasal passages of defenseless minors with unwanted hugging of distant relatives. Harshlest punishment shall be reserved for aunts with large bosoms and cheap dentures who have the potential to suffocate children as well as nauseate them. In such cases, the convicted criminal shall be imprisoned up to one full year—in a zoo cage with an affectionate polar bear who always eats raw fish and never brushes after every meal.

Compound Check-Out Counter Stalling

This felony is chargeable against any person ahead of you on a Super-market check-out line who engages in the following Indecent acts: (1) Arguing with the checker over each blurred price marking; (2) comparing register tapes against all items purchased; or (3) attempting to cash a check without presenting any form of identification. All those adjudged guilty of said crimes shall be required to spend the rest of their natural lives pushing shopping carts with broken, stuck wheels.

haul to provide punishment for the hordes of self-centered idiots who threaten our safety and sanity. MAD is already lobbying for such legislation, and it's only a matter of time before we'll be able to call the Police to arrest clods who commit:

IT SHOULD BE PUNISHED

WRITER: TOM KOCH

Gross Negligence Of Civil Foot Wiping

A disgusting act that makes any slob liable to arrest when apprehended clomping across the victim's pastel carpet while wearing unwiped shoes tainted with axle grease, doggy-doo, chewing gum and/or squashed garbage. The convicted tracker-inner shall be required to atone for his slovenly actions by impersonating a throw rug and covering the stain with his body until Rug Cleaners can be called in to undo the damage.

Impatient Honking In The First Degree

Chargeable against the creep in the car behind you who feels he must display his superior reflexes, the instant a traffic light turns green, by pressing his horn button faster than you can depress your accelerator pedal. Any perpetrator of this atrocity shall be mercilessly made to endure a lifetime of being awakened each morning by an alarm clock whose bell has been replaced with an ear-spitting diesel truck horn.

Felonious Throat Hawking

This abominable infraction is also known as snorting, glonking, deep snuffling, bronchial rattling and early morning phlegm raising. It is most often committed by elderly school teachers who thoughtlessly try to dispel their mucous as they simultaneously disgust their students. In order to stamp out this nauseating crime in our lifetime, convicted throat hawkers shall henceforth be to a public place and forced to eat luke warm raw oysters while standing barefoot in a bucket of worms.

Cruel And Inhuman Pants Manufacturing

The crime committed by unscrupulous clothing manufacturers who eliminate several square feet of necessary material from every pair of pants they make. In promoting this torturous style, said manufacturers are deemed responsible for the epidemic of Groin Cramp and Crotch Agony that have seized the male population. Guilty individuals apprehended and convicted shall be forced to serve long terms in solitary confinement wearing jockey shorts originally designed for Herve Villechaize.

Premature Elevator Button Pushing

The inhuman offense perpetrated by cretins who rush ahead to board the elevator you've been waiting for, and then immediately punch a button that causes the door to close before you can get on. A victim of such barbarous behavior shall be allowed to retaliate by throwing the main switch, thereby trapping the wrongdoer between floors until he is driven stark staring mad by either claustrophobia, or that sickening Muzak.

Drunken Telephone Dialing

The act of operating a telephone while under the influence of alcohol is a felony when committed between midnight and dawn by those who dial the numbers of innocent strangers in a fumbling attempt to reach old army buddies, long lost girlfriends, etc. Persons convicted shall be forced to spend 100 days answering irate phone calls that come into the complaint department of a notoriously shoddy Television Repair Service.

Illegal Grope And Seizure

This form of sneaky activity is made indictable to protect members of the feminine gender who prefer not to be groped or seized while attending such events as football games, parades and rush hour bus boardings. Members of the masculine gender judged guilty of premeditated groping shall be dunked, seat first, into a lobster tank, and required to suffer the pain and humiliation of having their posteriors pinched for a term of not more than three hours, nor less than one hour per offense.

Bureaucratic Behavior With Pompous Intent

This violation of the Criminal Code is committed by Postal Clerks who invariably feel compelled to drag out a big volume of government regulations to find some new reason for rejecting every package presented for mailing. Public servants who display this form of arrogance shall be painfully incarcerated in a corner collection box until the next mail pick-up, which is usually scheduled to occur late that afternoon but often fails to take place until some time the following Wednesday.

Petty Parking Space Grabbing

A loathsome crime committed by idiots who swerve around their victims in public parking lots for the purpose of glomming onto the last empty spot. Although Petty Parking Space Grabbing is only a misdemeanor, it quickly becomes Felonious Grand Parking Space Grabbing when two spots are empty and the accused thoughtlessly straddles the line to occupy both of them. In such cases, the guilty party shall be bound and gagged and rolled into the main aisle of public parking facility, where he will be at the mercy of enraged little old ladies driving Ramblers.

Aggravated Motorcycle Vrooming

This is the legal term used to describe that unspeakable act committed by chowderheads who thoughtlessly rev their motorcycle engines while parked in residential neighborhoods. In most instances, guilty parties shall be dealt with on the spot by having their handlebars wrapped around their necks. However, in serious cases where vrooming occurs before ten o'clock on Sunday morning, the rudely awakened victim shall be entitled to strike the vroomer over the head with his 32-section Sunday paper until major skull fracture has been righteously inflicted.

AUTOPSY-TURVY DEPT.

There have been TV shows about some pretty dull professions: School Teachers, Bar Tenders, Auto Mechanics, Brewery Workers, Junk Dealers, etc. Mostly, these shows were just boring, and put you to sleep! But there's one long-running series about a real far-out profession: a Medical Examiner (which is fancy for Coroner!). This program has a different effect on us. Mainly, every time we watch it, we feel...

Queezy

Ladies and Gentlemen, you are about to enter the fascinating world of **FORENSIC EATING!!**

I have here the corpse of a male Tom Turkey—age, 2 years—weight, 35 pounds—height, 3 feet! Apparent cause of death:

A violent blow delivered to the neck, severing the spinal column and jugular vein... causing massive bleeding and the loss of its head! There is also evidence of some severe contusions of the skin, resulting in the violent removal of its feathers!

I'll need some bowel samples... and several digestive tract specimens to complete my tests, but that can wait! Right now, I'm sure that everybody is **STARVING**... so let's dig in...

Forget it!! I just lost my appetite!

This is the last time I ever come to Queezy's for Thanksgiving Dinner!!

At least he coulda **COOKED** the bird before he carved it!

Queezy... when you set the table, you forgot something!

Yeah? What's that?

Alas, poor Yorick ... I knew him!

Queezy, we don't have time for horsing around!!

This is the only way I can keep my sanity! I've been working for thirty-two straight hours ... I'm two days late for my Saturday night date ... and I haven't had time to go to the John all day!!

Nobody said being a Doctor was easy! Do you remember your oath?

I took an OATH not to go to the JOHN?!

You took an oath to HELP PEOPLE?!

THESE people are all DEAD!

And you're helping them by finding what killed them!

Y'know ... this poor guy would still be alive if he'd gotten emergency treatment in time!

Too bad we had to close the Emergency Room down!

Why'd we do a STUPID THING like that ... ?!

We had to make some Budget cuts somewhere to pay for all the overtime you guys are putting in here at the Morgue!!

How come you got the day off? What happened? Did Death take a holiday?

No ... Aspirin did ... so I'm playing hooky!

LOOK, Queezy! I've seen gulls follow boats—but BUZZARDS?!

It goes with the territory!

And look at that Boat!! There's no-one on it!!

Hand me my binoculars! I want to look for bodies ... !

You mean survivors!

C'mon! What would I want with survivors?! I'm not a Paramedic! I'm a CORONER!!

I guess now that you've found those two CORPSES, our date is over, huh, Queezy ... ?

Certainly not! We can still go over to your place and sit around the fire and have a few drinks and ...

What about your FRIENDS there?!

Oh, we can put them into your FREEZER! They won't mind a bit!

No, but I WILL! I've heard of bringing your work home with you, but this is ridiculous!!

Women! Who can understand them?

Taxi!! Hey, taxi ...

S'matter, Mac? Your friends there have a li'l too much? They look DEAD DRUNK!

Well ... you happen to be HALF RIGHT anyway! City Morgue, please

Come back! I'm gonna turn you in! It's against the law to refuse to take passengers because of race, creed, color or just because they happen to be dead!

Hmmm! I wonder if I'll have to pay for these guys on the bus!

Do you believe in reincarnation, Spam? I keep getting this strange feeling that, in a previous life, I was a Sports Writer named Al!

We all have those feelings! Take those two cadavers you brought in . . . ! They **APPEAR** to be drowning victims, but they've **REALLY** been **POISONED!** Now I **KNOW** I've lived through **THAT** plot before!

Queez, from the symptoms, I'd say it was **Botulism!**

Gee, whatever happened to good old-fashioned TV homicides like shooting and stabbing and choking?!

There's no trace of poison in the gastric juices! All that shows up is cream & sugar!

Queez, you're testing Lt. Moronohan's coffee!

Ha-ha! That's a hot one! Uh—**WAIT A MINUTE!!** If you're testing my coffee, what am I drinking . . . ?!

YECCCHHHHHH!!

How's it going?

Swell! I'm ahead . . . two games to zip!

I meant the **BOTULISM!** They brought in two more cases today!

Wow! That makes four cases already! We've got to find the common denominator! These guys must have eaten in the same restaurant, or went to the same john, or something! This thing could spread like wildfire!!

Oh, my God!! An epidemic would be unthinkable!

See?!? You really care about people!

PEOPLE? I care about my **BUDGET!** We can't **AFFORD** another epidemic! Last week we had a first outbreak of Bubonic Plague in four hundred years! And the week before, we had a Terminal Athlete's Foot epidemic! Do you have any idea what our refrigeration bill is this month?!

This is the first time I've sat down to eat in a week!

Let's go, Queez!! They just brought in another Botulism case . . . !

What's the big hurry? The guy's not **GOING** anywhere!

This one's still alive, so get moving! You haven't got time for luxuries like eating! Ahh . . . bring me a menu, Bum! I'm **STARVING!**

I can't go! We haven't done our weekly Lunchtime bit—where I tell a joke, and you give away the punchline!

Okay! Okay! One to hold the light bulb, and two to turn the fadder! Now **GET GOING!**

Mglphm! Gimg!

WHAT?

Sorry! I haven't finished my lunch yet! I have to talk to your patient, Doctor! Maybe he can supply us with information that will save hundreds of lives!

Alright, but only for two minutes! He's in critical condition . . . and the slightest shock could prove fatal!

Hi, there! My name is Doctor Queezy, and—

Not exactly! I'm from the Medical Examiner's Office! I'm the **CORONER!**

Are you—gasp—a Specialist?

W-W-WHAT???

The **Coroner!** I do all the autopsies! I usually make my first incision right about here—

Cough! I know there's a bed shortage, but couldn't you at least wait until I... I... gurgle...

**BEEP

I just want to ask you some questions about where you ate—

What's wrong with people? Why doesn't the public ever **COOPERATE** with us? Don't they know we're only trying to **save lives!?!?**

Forget it, Doc! He's expired!!

Psssst! Doctor, I have something for you...!

Did you hear that? This wonderful lady is going to help us! She's going to give us a **CLUE**...!!

What clue?! I want to give you my daughter's phone number! You're not much to look at... but unmarried **DOCTORS** don't exactly grow on trees! You'll call her?

Maybe the victim's **Widow** or his relatives can tell us where he ate!

Queezy... I don't think this is the proper place!

Ladies, were you related to the deceased?

Nahh! We didn't even know him! We just love to go to **FUNERALS**...!

It's our **HOBBY!**

Ma'am, your Husband ingested some poison, and I'd like to know if he ate his meals at home?

Are you accusing me of —sob—poisoning him?

Certainly not! The thought never even occurred to me! Er... how much was he insured for?

Good Lord, Man! Can't this wait until later?

Sorry! Say, since you're burying the remains, you might as well put **THIS** in!

What is it??

Oh, some odds and ends we're finished with! His intestines, his liver, his pancreas and some other yecchy stuff!

Hey, be careful! **DON'T SHAKE** that jar!

YAAHHHH!
TSSSS
POW!

Gladys, this is the most **EXCITING** funeral we've ever attended!

I've got good news, Queez! I've narrowed the source of the poison down to something SWEET all of the victims ate!

That's fantastic, Spam! Now all we have to do is check out all the places that serve candy and goodies and we've got the thing whipped!!

There must be THOUSANDS of places! It's an impossible job!

How about shows with realism or humor or good taste?

In real life it would be! This is TV! Nothing is impossible!

Well... EXCEPT for that!

Sorry, Bum... but we have to check out your place for Botulism...!

Why HERE? There are thousands of OTHER joints!!

Yeah, but THIS is where WE eat!!

Don't remind me! Other restaurants get Sports figures and Movie Stars!

Who's gonna order a Queezy Sandwich... chopped liver and brains on white bread?!

Come back later! The place is so crowded, you might start a panic!

Hi, I'm from the Medical Examiner's Office! There have been five fatal cases of food poisoning! I'd like to check your Mousse for Botulism!

WHAT...?? BOTULISM?!?!

HELLP! I've been poisoned!

YAA!

So much for not starting a panic!

Queezy... my business is ruined!

Look at the bright side! We gave you a clean bill of health!

THIS RESTAURANT HAS BEEN FOUND TO BE FREE OF BOTULISM! EAT AND ENJOY!
Dr. Queezy Corener

Look! A Snow Cone Vendor! I haven't had one of those since I was a kid!

Don't ask!! All week long, I only had five customers! (It's those fast-food joints! People don't appreciate fine quality any more!

How's business?

Maybe it's your location—next to the City Dump!

Wait a minute! Wow! Talk about your unlikely coincidences! I know this is a long shot, but he had FIVE CUSTOMERS, and we've got FIVE BODIES... and they all ate something sweet!!

I think you might be ON to something, Queezy!

Where do you get your ICE??

I make it myself ... with that water!

Look at it, Moronohan! It's absolutely filthy!

Whaddya expect for ten cents ... PERRIER??!

I'll need some samples to check out ...

No samples! This is a cash business! I also accept all major credit cards ... or empty deposit bottles!

Okay, but don't sell any more of that stuff! It might contain Botulism!

No—I only make it in orange, lemon or grape!

Hey ... Queezy! Are you here, Queezy??

I'm right here! I'm on my break ...!
YAAHHH!

Hey, what's the matter?! Haven't you ever seen a LIVE BODY before ... ?!

What's up??! Are you here to congratulate me for breaking the Botulism case?

Congratulate you?? That's a hot one! We are up to our fat gluteus maximii in LAW SUITS!

Bum is suing us for damages ... the hospital is suing us for losing a patient ...

... the Widow is suing us for mental anguish and harassment ...

... and the Snow Cone Vendor is suing us because you ruined his business! It would have been CHEAPER if we'd had an EPIDEMIC!!

FORGET the Botulism! We've got an even BIGGER catastrophe on our hands! Look at all these cadavers!

The Network sent these over ... !!

The TOP MAN himself wants to know WHY they all died ... !!

Wow! Talk about your disasters! An entire TV season—wiped out!
