A mighty figure stood at the edge of the jungle that had, until this day, always been his home. *He-Man*, the tribe's greatest warrior, waved his farewell. He might have preferred to stay, but he had a noble mission to accomplish.

"Evil forces exist on our planet Eternia," *He-Man* told his people. "They seek to control the legendary *Castle Grayskull*, a place of wonders. If we are to know a lasting peace, I must go out and battle those forces. Farewell!"

The outside world had long been a mystery to *He-Man's* tribe, although they had heard the fantastic tales about the mysterious *Castle Grayskull*. *He-Man* was the first of his people to trudge these craggy cliffs and quake-torn valleys. His homeland was already in the distant mists when he heard the cry for help.

Gazing into the valley, *He-Man* saw that his courage and jungle-bred strength were already needed!

In a blur of bronze movement, *He-Man* leaped from the cliffside and onto his shaggy foe. His powerful fingers dug deeply into the monster's hide. But *He-Man* was not fighting this creature alone.

*He-Man* glimpsed the woman as she gestured magically and attacked the creature with mystical bolts of force. "She is a sorceress!" he thought. But her magic hardly fazed the animal. The same could not be said of

Defeated, the animal fled, while the Sorceress regained her breath. "Your strength... your courage," she said, "mark you as the legendary hero who is to inherit the treasures I have guarded all these years. They were made centuries before the Great Wars by Eternia's scientists."

Inside the ancient ruins, the Sorceress gave *He-Man* the guarded costumes and weapons. "They will add to your strength. Use them wisely — especially in defense of *Castle Grayskul*."

Riding in the strange vehicle, which was a combination battering ram, catapult, and space-warp device — *He-Man* set off again on his mission. A particular valley, still miles away from the castle, struck his fancy. This valley would serve as his new home and headquarters.

Wearing the costume that gave him superhuman strength, *He-Man* went to work carving out his new home — using no tools other than the power in his fists.

But even as *He-Man* constructed his dwelling, evil eyes were gazing upon *Tee-La*, the warrior-goddess, as she watered her unicorn charger.

"There is none in all of Eternia as beautiful as she," grunted the ape-like *Beastman*. "I'm really starting to believe that she *is* a goddess!"

"Soon she will be more than that," whispered his master, *Skeletor*. "Soon she will be my bride!"

But it was no simple matter to capture the warrior-goddess. She fought like a demon, her body possessing the spirits of many ancestral champions. Only *Skeletor's* energy-blade, after freezing her courageous steed, at long last shocked her unconscious.

"Carry her to *Castle Grayskull*," *Skeletor* commanded his underling, *Beastman*. "But be careful! I do not like having my bride-to-be damaged!"

By nightfall, *Skeletor* and *Beastman* had brought their sleeping captive to *Castle Grayskull*, a fortress so ancient that no one knew its origin. An eerie voice — that of the castle's all-present Spirit — warned them: "Go back! The secrets and treasures of *Grayskull* are for no one to possess! Go away..."

Another warrior secretly watched, as *Skeletor* defied the warning...and forced open the castle's Jaw-Bridge.

Entering the grim castle, *Skeletor* and his accomplice failed to notice the other warrior departing through the shadows in his heavily armed chariot.

"I defy you, Spirit of the Castle!" shouted *Skeletor*. "Your many secrets shall be mine! I hold half of the mystic *Power Sword*! I shall soon possess the other half which is hidden within your walls. Then I will have full power! And none of your deadly traps will stop me!"

"When I join *both* halves of the Power Sword together," exclaimed *Skeletor*, "the magic fires, created by ancient scientists and sorcerers, will blaze again!" And he thought back...

"Once I lived in another dimension, populated with others of my kind. But when the Great Wars opened a 'hole' in the dimensional wall, I was thrown into *this* world. With the complete Power Sword, I shall reopen that hole and bring my people here to conquer this dimensional world!"

After strapping the unconscious warrior-goddess to a stone slab, *Beastman* searched, with animal-like cunning, through the castle. At last, he found an ancient scroll upon which had been drawn a map. The map, which seemed to have been drawn in blood, had many strange symbols which only *Skeletor* could understand.

11 “They show the way to a fiery sword!” he shouted. Following the map, *Skeletor* led the way to a secret passage.

*He-Man* was finishing his dwelling when he saw the approaching chariot. "And what brings the famous *Man At Arms* to my humble house?" he asked sarcastically.

*Man At Arms*, whose people were masters of all weapons, described what he had seen. "If *Skeletor* controls the castle, he might use its secrets to conquer Eternia," he said coldly. "And I shudder to think what fate he has planned for the warrior-goddess."

"If we fight side-by-side," offered *Man At Arms*, "we can more easily defeat *Skeletor* and his henchman."

"You would be a worthy partner," said *He-Man*. "But if the threat is as great as you say, I have no time to waste getting to *Castle Grayskull* by wheels."

And, before *Man At Arms* could say another word, *He-Man* activated the Battle Ram's space-warp device. Moments later, *He-Man* was vanishing... to reappear somewhere else.

At the castle, meanwhile, *Skeletor* and *Beastman* had reached the end of the secret passageway and had found a rusty metal door. But as they touched the door, the Spirit of the Castle cursed them and unleashed its ghostly demons.

*Beastman's* claws and fangs only went through the spectres, but *Skeletor's* lightning-blade quickly blasted them to nothingness. "Again I defeat you, Spirit of the Castle!" rasped *Skeletor*. "Now, to seize your greatest treasure!"

Yet, not even the brute strength of *Beastman* could break open the door.

"Stand back, you ape!" ordered *Skeletor*, as he proceeded to cut through the ancient door with his lightning-blade as if it were melting butter. And even as the door gave way, a commotion could be heard from outside. "See what it is," commanded *Skeletor*.

And *Beastman* loped obediently down the dark corridor.

Outside the castle, *He-Man* was using his vehicle like a battering-ram to try to gain entry.

"*He-Man!*" snarled *Beastman*, as he reached the castle's laser-cannon and fired a deadly bolt toward his foe. But *He-Man's* forcefield garment easily repelled the blast.

"Is that the *best* you can do, you brainless gorilla?" *He-Man* taunted. "If so, I have nothing to worry about!"

Perhaps *He-Man* did not have to worry about the laser-cannon penetrating his forcefield. But he did not figure on *Beastman* choosing a new target... the vehicle which was not protected by that barrier of force!

As *He-Man* rolled out of the overturning vehicle, his costume's forcefield was accidentally switched off.

17 "Now to finish you off!" growled *Beastman*, aiming the laser-cannon at his seemingly helpless victim.

Inside the tunnel, *Skeletor* saw the shiny object. Its broken blade seemed to beckon to him. He grasped it in his scaly hands, then eagerly placed the two halves of the ancient object together. He could feel the unbelievable energies of the sword as the blade burst into green fire!

"The restored Power Sword!" he exclaimed. "With this, I am invincible! There is nothing I cannot do! Nothing!"

Weapon in hand, he turned thirstily for battle.

Before *Beastman* could make good his threat, his attack was interrupted by the timely appearance of *Man At Arms*. Firing his flame-throwing weapon, *Man At Arms* said, "I'll keep him occupied, *He-Man*!"

Turning to the castle, *He-Man* pulled with all his mighty strength, taxing his natural power to the limit. Finally, he pulled down the creaking Jaw-Bridge. Flexing his muscles, he said, "Now to help *Tee-La* and stop the evil

Throwing off his damaged forcefield costume, *He-Man* hurried down the castle elevator, finding *Skeletor* waiting for him. With a simple wave of the Power Sword, *Skeletor* brought to life many objects inside the castle and commanded them to attack his foe. Without his forcefield to protect him, *He-Man* fought off the barrage of objects as best he could. But the objects, energized by the Power Sword, continued coming.

"This is only the beginning," boasted *Skeletor*.

But *Skeletor's* moment of triumph was abruptly ended as a beautiful figure appeared before him, glowing green like the energies of the Power Sword.

"You have abused the Power Sword," the Sorceress said. And with magical gestures, she removed the Power Sword from *Skeletor's* hand, splitting it again into halves.

Immediately the objects attacking *He-Man* dropped life-  
21 lessly to the floor. A moment later, the Sorceress vanished.

Having lost his most powerful weapon, *Skeletor* fled to the roof of the castle, where *Beastman* and *Man At Arms* were already engaged in mortal combat.

*He-Man* saw an awakened *Tee-La* tear herself free of her bonds. Then both warriors rushed up the castle's elevator. Soon they were hotly engaged in the rooftop battle.

Hopelessly outnumbered, *Skeletor* and *Beastman* both pleaded. "Mercy!" With that plea, the battle ended.

Together, *He-Man*, *Man At Arms* and *Tee-La* watched their defeated foes flee toward the horizon. Then, seeing an apparition below, they climbed down from the roof of the castle.

"From now on," said the Sorceress, "only the halves of the Power Sword, inserted into this enchanted lock, will open the castle's Jaw-Bridge. And, to keep this castle from again falling into evil hands, I shall hide both halves in secret places"

23     Saying that, she vanished again in a green cloud.

"You truly are the '*Masters of the Universe*' who are destined to protect my secrets from evil forces," said the Spirit of the Castle. "You should have at least some small reward." That reward came in the form of a snow-white unicorn that galloped over the hill, returning to his mistress.

"Do you think that is the last of those two or the Power Sword?" asked *Man At Arms*.

"I doubt it," answered *He-Man*. But as he looked toward the rising sun, it seemed to be a good omen for Eternia and the '*Masters of the Universe*.'

On his way home from battle, *He-Man*, the greatest of the *Masters of the Universe*, halted *Battle Cat* near the mysterious fortress, *Castle Grayskull*.

"The castle was built by unknown hands before the Great Wars," he said to *Battle Cat*. "It is said that whoever controls the castle controls the universe."

Riding away from the castle, *He-Man* was unaware of  
1 a skull-faced figure watching from a parapet.

*Skeletor*, Lord of Destruction and the most cunning, fiendish villain on the planet Eternia, wielded his energy-blade. Mystical forces, created in another dimension, shot from the blade to form a magic lens.

"Now," said *Skeletor* to himself. "Let us see what wonders are happening within *Castle Grayskull*."

An image of beauty slowly appeared in the lens.

"Ah — it is the warrior-goddess," smiled *Skeletor*.

Teela listened as the *Spirit of the Castle* spoke. "Legend tells of a warrior who will find the split halves of the Power Sword. One half is hidden at Eternia's highest point. The other is beneath its hardest rock. With both halves, he can enter the castle and claim the throne and the secrets of the universe. You are to be the guardian here!"

3 "Thank you," Teela replied. "This is an honor!"

*Skeletor* then swore that *he* would become King of *Castle Grayskull* by making the legend come true. But first, he needed the halves of the Power Sword.

"Eternia's highest point is the mountain-top realm of my winged-enemy, *Stratos*," he said.

Finding the peak, *Skeletor* saw the sword, half-buried in a rock. Using the hottest blast of his energy-blade, he freed the half-weapon from its bed.

"The second clue can refer only to the hard rock upon which *He-Man* built his home," grinned *Skeletor*.

With obedient *Mer-Man* to aid him, *Skeletor* went to *He-Man*'s home. Before *He-Man* could grab one of his super-power outfits, *Mer-Man* attacked! Not even *Battle Cat* could protect his master.

As *He-Man* fell, *Skeletor*'s energy-blade revealed the  
5 other half of the coveted Power Sword.

*Skeletor* left *Mer-Man* to finish off the fallen foe, then he set out on foot for *Castle Grayskull*. He paused only to disguise his skully face with grayish clay. When he reached the castle, he looked up at its gray-skulled facade, and he boldly thrust both halves of the Power Sword into the stone lock.

A grating, creaking sound came from the castle. The Jaw-Bridge opened to swallow its new king.

*Teela* trustingly waited, and the disguised *Skeletor* walked through the castle and rode to the upper level on the elevator. She saw that his face was much like that of the castle's own facade.

"You *must* be the king!" exclaimed *Teela*. "But I did not expect you to arrive so soon!"

7 "Don't waste a king's time with chatter, woman," he bellowed. "Just show me to my majestic throne."

With feelings of triumph and contempt, *Skeletor* seated himself on the throne. Though it was ancient, the throne moved, and *Skeletor* recognized its secret devices and controls. What power he would have.

"How may I serve you, Majesty?" asked *Teela*.  
"*This way!*" he laughed, wiping off the disguising clay, as he turned the throne ninety degrees to face a door...a trapdoor that opened beneath *Teela*.

Alone on the upper level, *Skeletor* gazed at his new domain, marveling at the wonders of the civilization that had built the castle. He saw computers, monitor screens, weapons and many wonderful controls.

"These things are mine!" he shouted to the unseen *Spirit of the Castle*. "The secrets of the universe are now at my command. Soon Eternia and all other worlds will belong to me. I am now *king*!"

As *Skeletor* studied the many marvels of the castle, *Mer-Man* was still engaged in a losing battle.

"You should have hurried back to your sea when you had a chance," yelled *He-Man*, "because I have had time to get into my forcefield garment!"

As *Mer-Man* aimed for a closer blast at *He-Man*, an angry roar filled the air and *Battle Cat* made a successful attack, turning the tide of battle.

Battered and defeated, *Mer-Man* limped away to heal his wounds. *He-Man* put on another outfit that increased his already great strength. Then mounting *Battle Cat's* saddle, he rode toward the distant castle to find *Skeletor* and the Power Sword!

"You survived that dull-witted *Mer-Man*" said *Skeletor*, as, on a monitor, he watched *He-Man* approach the castle.

11 "But you will not survive King *Skeletor*!"

*He-Man* dismounted from *Battle Cat* and cautiously moved toward the castle. He knew that only the complete Power Sword could open the castle's Jaw-Bridge. Nevertheless, *He-Man* tugged at the closed Jaw-Bridge, with all of his superhuman strength.

"It appears *He-Man* needs aid!" said *Skeletor*, opening the Jaw-Bridge by means of a panel control, and thus flipping the surprised hero into the castle.

"Castle Grayskull now has its king," taunted *Skeletor*.  
"Are you not going to kneel to the king?"

"You'll not be so glib once I wipe that grin from your skull-face, fiend!" threatened *He-Man*.

"We shall see, oafish one!" laughed *Skeletor*, his fingers moving to one of the throne's hidden controls to release a barrage of jolting energy.

13 Darkness came swiftly to *He-Man*.

When consciousness returned to *He-Man*, he was in a dank dungeon with another prisoner.

"*Teela!*" he gasped. "*Skeletor* has gone insane!"

"We must escape," she exclaimed. "We must stop him before he masters all of the castle's secrets."

"Be thankful that the fiend did not strip me of this garment of strength," replied *He-Man*, as he tore the ancient cell door from its hinges.

Having mastered more of the castle's detection devices, *Skeletor* was aware of his foes' escape.

"The fools have evaded one trap only to be prey to others more deadly," he bragged, as he activated the control near his throne.

In response, empty suits of armor moved to the weapons rack, taking instruments of death from its  
15 cache. Then they marched toward *He-Man* and *Teela*.

Wanting to watch his enemies' defeat, *Skeletor* took the Power Sword and stepped back from the throne.

*He-man* continued to battle the moving but lifeless army. When one armor fell another took its place.

Enjoying *He-Man's* almost sure defeat, *Skeletor* forgot about the warrior-goddess. Then suddenly he felt a hard blow from *Teela's* spear. Something fell from *Skeletor's* hand. "My Power Sword!" he screamed.

As the Power Sword hit the floor, it split back into halves. Moments later, the remaining suits of armor crashed uselessly to the floor. There was no time for *Skeletor* to reach the Power Sword.

"Now I must escape!" cried the would-be-king.

Bolting to the upper level of the castle, *Skeletor* reached the ladder that led to the parapets.

17 His angered enemies were in close pursuit.

Reaching the roof, *Skeletor* saw the castle's laser-cannon. Leaping to the weapon he aimed it at the pursuing warrior and warrior-goddess.

"Down!" *He-Man* shouted to *Teela*, as deadly energy bolts blasted at them. He felt the heat of the beam and smelled the singeing of his hair. "If that ray hits us, we'll be burned to ashes!"

*Skeletor* fired again.

There was no time for delay. In a blurred movement *He-Man* lunged forward with a speed incredible for a man his size. With a powerful shove, he turned the laser-cannon's direction of fire. Less than a moment later, *He-Man* was upon his worst enemy!

"The battle ends now," said *He-Man*, as their struggle brought them ever-closer to the parapet's edge. Nothing  
19 could prevent their fall.

*He-Man's* super-strength garment absorbed the impact of the fall, but *Skeletor* would not accept defeat. He might have destroyed *He-Man* with the energy-blade, had he not heard a guttural scream!

"*He-Man's Battle Cat!*" cried *Skeletor*, as the great feline lashed at him with a paw. *Battle Cat* did not have to make a second swipe, for the once King of *Castle Gray-skull* was fleeing for his life.

With *Skeletor* departed, the *Spirit of the Castle* appeared again. "I must make sure that the halves of the Power Sword are never again used for evil," said the chilling voice. "I shall send them into another dimension where even clever *Skeletor* will have great difficulty finding them."

*He-Man* and *Teela* watched the divided Power Sword  
21 shimmer with eerie energy and then fade away.

"Centuries may pass before the true king comes to claim his throne and fulfill the prophecy of the legend," said the *Spirit*. "Go then, *Masters of the Universe*, and fight evil wherever you find it!"

*He-Man* and *Teela* did as ordered. As they departed, the *Spirit of the Castle* seemed to smile, knowing that at the proper time *He-Man* would prove himself to be the true *King of Castle Grayskull*.

Of all the beings of the planet Eternia, none was as evil as skull-faced *Skeletor*. There was no good in him.

He stood defiantly on the rim of an active volcano, and using his energy-blade, he dared to fight with the lightning that flashed about him. The hatred in his heart was as searing as the volcano's belching smoke.

1 "I thirst for vengeance!" *Skeletor* shouted, as the sky responded with a loud crash of thunder.

Skeletor's mind was tormented by hated images. "It is because of *He-Man* that I have, time and time again, suffered shameful defeat!" he roared. "I would have succeeded in my attempt to rule this planet if not for him and his noble companions-in-battle."

As he spoke, *Skeletor* also thought of *Teela*, the beautiful warrior-goddess, and of armored *Man-At-Arms*, the master of all weapons.

At that moment, *Skeletor* made the only decision that was open to him. If he was going to rule Eternia, he had to destroy his worst enemy. *He-Man* must die!

With the mystic power of his energy-blade, *Skeletor* sent his image to his two most obedient underlings. Soon, his ghostly face appeared in Eternia's densest jungle.

"*Beast Man*," said the image, "I have work for you!"

3 "I am coming, master," roared the apeline brute.

The image also appeared in another domain, that of *Mer-Man*, Skeletor's scaly underling of the sea.

"What do you command me to do, master?" asked *Mer-Man*, humbly submitting to his master's will.

"You are to go to *Castle Grayskull*," answered the scheming *Skeletor*. "It is there that I shall tell you exactly what you must do...and you will do it!"

"I will be there," replied *Mer-Man*.

The three sinister beings met in the shadow of *Castle Grayskull*, that ancient place of wonders that was built by unknown hands sometime before the Great Wars.

"We are here to serve you," grunted *Beast Man*.

"What you command, we shall do," added *Mer-Man*.

"You will seek out *He-Man*, and then," *Skeletor* almost smiled, "before he can use one of his super-weapons  
5 against you, you will destroy him!"

Soon afterwards, a fantastic vehicle sped across the craggy terrain on a cushion of air. Riding the *Battle Ram* was *He-Man*, dressed in the suit that made his already great strength stronger. His thoughts were of *Teela*, whom he was to meet at a place around the next bend.

*He-Man* could not know that two fiendish beings were waiting for him in ambush. When he heard their screams it was already too late for him to battle back.

With incredible speed and force, *Mer-Man* kicked *He-Man* from the *Battle Ram*, then he jumped aside. *He-Man* recovered quickly, grabbed *Mer-Man* and tossed him toward a rock. Then *Beast Man's* weapon blazed.

"You two never learn!" said *He-Man*, as he side-stepped some of the blast from *Beast Man's* weapon.

However, *He-Man's* boast was cut short by another  
7 burst from *Beast Man's* powerful weapon.

The sounds of the battle were heard beyond the ridge. *Teela*, riding her galloping horse, arrived on the scene to see *Beast Man* regaining his senses. But what concerned her the most was *Mer-Man* who had *He-Man* across his shoulder. *He-Man* was unconscious, perhaps dead.

"There is nothing we can do now," *Teela* said to her steed, "but wait and hope that *He-Man* still lives." She held great fear in her heart.

For many miles, *Mer-Man* carried his burden, and never once did *He-Man* move. At last, as dawn's light crept over the land, the scaly servant of *Skeletor* reached his destination. The sea was choppy and angry.

"I never looked for it," *Mer-Man* laughed, as he tossed *He-Man* into the cold water, "but I've heard that there is no bottom in this sea. It would be interesting to learn if it is true, but you will not be the one to tell!"

If *Mer-Man* had not run off to report his success to *Skeletor*, he could have witnessed a miracle taking place below the water.

The icy waters quickly revived *He-Man*, but as his eyes opened, he beheld a new terror. A monster of the depths was swiftly making its way through the water.

Holding his breath, *He-Man* fought his way to the surface for air, as the terrible thing swam after him.

He-Man fought for his life. But despite his super-human strength, he felt his power leaving him. The monster's tentacles wrapped tighter and tighter, and He-Man's life was being squeezed to an end.

Yet, as He-Man struggled there was another inhabitant of this domain who had vengeance in his blood. It was Stratos, the winged-lord, and like He-Man and Teela, he fought on the side of good.

“Hold on for just a few moments longer,” shouted *Stratos*, as he dived into the icy water, following his weapon’s path. The weapon had released a stream of flame that not even the sea could put out. *He-Man* felt the tentacles relax and pull away from his body.

Then, weak and in need of breath, *He-Man* sank in the water. But *Stratos* dived deeper too, and pulled *He-Man* to the surface, and airlifted him to shore.

When *He-Man* regained his breath, he was resting on an island of stone. "Those assassins left me for dead. No doubt *Skeletor* is already laughing over my death!"

*Stratos* grinned. "Then perhaps it is time for us to show *Skeletor* just who will enjoy the last laugh," he said as he offered *He-Man* his warrior's grip.

"*Teela* must be worried," *He-Man* spoke. "If she saw the  
13 ambush, she must think I am dead!"

"Thank the Universal Powers that you are alive!" *Teela* exclaimed. "Tell me what happened"

After *He-Man* explained the events of the night, He changed into his suit that generated its own forcefield.

"We must go after those evil ones," vowed *Stratos*, "if we are to find out who is laughing"

"Beast Man ran off toward *Castle Grayskull*," said *Teela*. "I am sure *Mer-Man* went there, too"

At the castle, *Skeletor* enjoyed every grisly detail about *He-Man*'s defeat. "How sweet is my revenge!" he shouted. "Now nothing can stop my plans of conquest! At last the one who threatened me is now cold fish food at the bottom of the sea!"

"Cold? Would you care to feel my temperature, *Skeletor*?" mocked the familiar voice of *He-Man*.

15     Turning, *Skeletor* saw the foe he believed to be dead.

"I don't know how you escaped death," raved *Skeletor*. "But you will not do so again! Slay him and his friends! Now! Do it!" *Skeletor's* command was firm.

*Beast Man*, *Skeletor's* number one underling, leaped with the prowess of a great forest ape. However, his dull-witted mind had forgotten *He-Man's* forcefield.

And as *Beast Man* fell with a loud thud, *Mer-Man* was making his own attack. *Teela* was in grave danger.

Before *Stratos* could complete his defense, *Mer-Man* yelled defiantly, "This is where the sea conquers the sky!" *Mer-Man*'s weapon shot out a stream of sea water that instantly cooled to ice.

His wings too heavy to keep him in the air, *Stratos* aimed his body at *Mer-Man*. "If I must fall, I will take you with me," he shouted. He fell fast, hitting the man of the sea with a mighty impact.

*Beast Man* was still determined to please *Skeletor*. Reviving, he arose with a mean growl, beat his chest and raised his weapon toward *Stratos*. "Now you die!" he growled, "then the rest of you will die, too!"

*Mer-Man* did not want to be outdone by *Beast Man*, and he aimed his weapon at *He-Man*, who jumped aside. However, *Mer-Man*'s icy weapon found a target and *Beast Man* was caught in a barrage of pellets.

After *Skeletor* saw his two most powerful henchmen fall, he turned to the sea-being and shouted. "You bungling fools. You should have blasted *Stratos*! Now you will feel *my* fire – both of you!"

From *Skeletor's* weapon came a blast that enveloped *Mer-Man's* sea-bred body. So intense was the heat that it dried up the moisture in *Mer-Man's* scaly hide and the man of the sea felt himself slowly dying.

As much as *He-Man* hated *Skeletor*, he hated more to see a master do harm to a slave. Mounted on the *Battle Ram*, *He-Man* collided with *Skeletor*, disarming him.

And *Mer-Man* lost no time using what strength he had left to turn his own weapon on himself. Bathed in the sea water that would restore his strength, he gloated to himself, "You will regret this favor, *He-Man*!"

*Teela* and *Stratos* watched in disbelief.

Minutes passed, and finally a battered *Skeletor* got up to find his henchmen looking at him strangely.

"Before you think of rising up against me, you foolish underlings, consider this!" *Skeletor* shouted.

Whatever thoughts the two might have had were soon forgotten, as a blast of energy from *Skeletor's* weapon exploded under their feet.

21 "Master! You are the master!" they yelled together.

"Thank you, 'Master!'" mocked *He-Man*, "for giving us such a great idea." Then together, *He-Man*, *Teela* and *Stratos* trained their weapons on the villains, sending them fleeing like cowards from *Castle Grayskull*.

"No doubt they will invent new plots of evil," said the *Spirit of the Castle*, appearing. "But you, the *Masters of the Universe*, will be ready for them."

"Indeed, we shall be!" agreed *He-Man* with fervor!

On the tallest peak of the Planet Eternia's mightiest mountain perched a watchful *Master of the Universe*, the winged one — *Stratos*.

He listened to the whistling wind, and he heard the echoes of an angry voice. "I crave power! I was born to rule all of Eternia!" *Stratos* recognized the voice as that of the evil *Skeletor*, and he flew off to see if he could locate the sounds that he had heard.

The sound took *Stratos* to *Castle Grayskull*. *He-Man* and the fiendish *Skeletor* were locked in a gory battle. *Stratos* saw *He-Man* use the *Battle Ram* to blast *Skeletor's* lightning weapon from his hand. He heard the villain yell, as powerful energies shocked him. *He-Man* seemed to be winning the fight.

Other eyes watched the battle, too... *Mer-Man*, the sea creature, one of *Skeletor's* underlings.

"You are a fool, *Skeletor*! You can never defeat me as long as I possess my Battle Ram and this suit that increases my strength!" exclaimed *He-Man*. With that, he demonstrated the value of the suit by hurling *Skeletor* through the air toward the sea.

*Mer-Man* cast a greedy eye. "With *He-Man*'s weapons I could be *Skeletor*'s equal. I will help *Skeletor*."

*Stratos* saw that *He-Man* needed no help, so he turned in flight and headed for his mountain home.

"That cursed demon!" roared *Skeletor*, as *Mer-Man* struggled to pull him from the sea. "He will pay and pay dearly for this deed! That I vow!"

"I can help you defeat *He-Man*," grinned *Mer-Man*, "and for my reward I want his weapons."

"They are yours if we win!" agreed *Skeletor*.

"Hark, *Stratos!*" called *He-Man*, as he spotted the warrior in mid-air. "I did not know you were so near, friend..." But before *Stratos* could reply, he went into action, swooping down to lift the *Battle Ram* and *He-Man* above the twin blasts that were blazing from *Mer-Man* and *Skeletor's* weapons.

"I am glad I heard your call," said *Stratos*.

"Not as glad as I," replied *He-Man*.

A great gust of wind toppled *He-Man* from the *Battle Ram*. Only his super garment had prevented his death, but he was unconscious. Unaware of *He-Man*'s fall, *Stratos* flew on, battling the gale.

"If we are to climb those heights, we will need more than legs," growled *Mer-Man*.

"And I know where to get what we need," leered the sinister *Skeletor*. "Yes I know what to do!"

"You have your transportation! Now go after *He-Man*! I will watch this beauty," smiled *Skeletor*.

"Yes, master," replied *Mer-Man*, "and when I return I will have *He-Man* and his weapons!"

*Teela* gasped in horror, as *Skeletor's* energy blade struck her animal, sending it in a gallop toward the mountain where *He-Man* lay unconscious.

7 "Fiend! You'll never win!" screamed *Teela*.

By the time *He-Man* was coming out of his dazed condition, *Mer-Man* had reached a place from which he could make a swift attack.

"A super-strength suit does not have a forcefield," thought *Mer-Man*. Dismounting from the horse, he picked up a huge boulder and hurled it at the half-conscious *He-Man*. "All I have to do is rip off that suit and it is mine!" *Mer-Man* said.

The *Master of the Universe* was no match for a wild man who had used savage means to cripple him. And as *Mer-Man* ripped off *He-Man*'s strength garment, he gloated, "Now, *He-Man*, you are unarmed! And I am super-strong! Soon I will possess your *Battle Ram* and then I will return to deal with you!"

"Fiend! What have you done with *Teela*?" *He-Man* struggled to ask. *Mer-Man* did not reply.

*He-Man* pretended complete defeat until *Mer-Man* departed. "If I am to reach *Stratos* and find where he put my *Battle Ram*, I am going to need help," he thought. Then he cupped his hands to his mouth and gave an animal call toward the forest.

In response, something powerful gave a deep growl and bolted from the woods. "Come," *He-Man* commanded, and *Battle Cat* sprang to his master.

*He-Man* leaped to the back of *Battle Cat*. Soon the beast was bounding obediently across the rugged terrain, stopping at *He-Man*'s home just long enough for *He-Man* to put on his forcefield suit. Moments later, they were rapidly approaching Eternia's *Master of Weapons*, *Man-At-Arms*.

11 "I need your help!" called *He-Man* to a waiting armored figure. "The situation is grave!"

"Indeed it must be grave for the mighty *He-Man* to ask for help," replied *Man-At-Arms*. "I will join you in your battle against evil!"

As *He-Man* explained *Mer-Man*'s plot and *Teela*'s certain danger, *Man-At-Arms* climbed aboard his incredible *Wind Raider*. Soon they were on their way to *Stratos*'s mountain to stop *Mer-Man* from capturing *He-Man*'s *Battle Ram*.

Finally they reached the end of their journey, but *Mer-Man* had seen them coming and he vanished amid the twisting clouds.

"I fear that your *Battle Cat* would never survive the climb," *Man-At-Arms* said to *He-Man*.

"I agree," sighed *He-Man*. Patting the animal's sinewy hide, he said, "Go back to your forest. This ascent must be made with a steed of metal."

With a whimper, strangely out of character for its size and fierce appearance, *Battle Cat* obeyed his master. When he turned to look back, *He-Man* had already entered *Man-At-Arms' Wind Raider*.

"I prefer my own *Battle Ram*," said *He-Man*.

"Ah, but could your *Battle Ram* so easily get up this rocky slope?" asked *Man-At-Arms*. Knowing it could not, *He-Man* remained silent.

Meanwhile, *Mer-Man* had found the *Battle Ram* and he pondered the weapons on it. "I wonder what this button will produce," he said, groping at one of the *Battle Ram*'s controls. Had he not quickly jumped aside, *Mer-Man* would have been blasted by a deadly laser-gun.

"With this I can easily conquer *He-Man* and even *Skeletor*," he boasted. "I would not even need that strength suit!"

As *Mer-Man* mastered the *Battle Ram's* operation, *He-Man* became more determined to get back his property. Yet, as the *Wind Raider* continued its ascent, the steepness of the mountain slowed it almost to a halt. *He-Man* hung on to *Man-At-Arms* for dear life.

"Like my *Battle Cat*, your *Wind Raider* cannot make the climb," chided *He-Man*. "If I had my super suit for strength, I could carry us the rest of the way."

"No need for your *Battle Cat*," *Man-At-Arms* replied. "Brute strength must oftentimes give way to science. Hold on tighter, friend!"

*Man-At-Arms* worked the *Wind Raider's* controls. The vehicle's wings leveled in the wind, and rapidly the ship rose into the chilled air.

"Your point has been taken," said *He-Man*, his voice swept by the speed, "but must we fly so fast?"

Reaching the mountain's summit, *He-Man* and *Man-At-Arms* were greeted by a volley of deadly rays.

"I had not expected you to follow me," yelled the man of the sea, "but I was ready any way. I have had time to learn how to use your weapons!"

*Mer-Man* continued to blast his enemies.

"The *Battle Ram* can destroy us!" *He-Man* said.

"Do not be so sure!" replied *Man-At-Arms*.

Taking the offensive, *Man-At-Arms* flew his machine directly at *Mer-Man* and the *Battle Ram*. But *Mer-Man* maneuvered out of the way, then turned his ship, firing its battering device.

"Argghh...!" groaned *Man-At-Arms*, as he was struck hard and flung from the *Wind Raider*.

*He-Man* reacted with remembered horror, as *Man-At-Arms* dropped toward the rocky ground.

Only *Man-At-Arms*' remarkable armor saved him from death. Looking up, he saw the battle between *He-Man* and *Mer-Man* just beginning.

"Only one of us will survive this battle!" *He-Man* vowed, aiming the *Wind Raider* directly at the *Battle Ram*. "And it will not be you, *Mer-Man*!"

The two vehicles collided like a pair of battering rams, but both ships survived the impact.

The battle raged in the clouds, with *He-Man* and *Mer-Man* locked in mortal combat. But suddenly, from nowhere, *Stratos*, with wings folded behind his back, dropped from the sky. Now it was *Mer-Man*'s turn to be knocked senseless. The *Battle Ram*'s weapons were silenced, as its evil pilot lost control and fell.

21      "When I found you missing, I dropped your machine and returned to find you," *Stratos* called out.

"Now that you found me and it," yelled *He-Man*, "get ready to use it! After I take my strength suit from *Mer-Man*, we must find *Teela*, rescue *Man-At-Arms* from a ledge, and then let *Skeletor* know that he and his underling have met another defeat."

Riding off on the wonderful vehicles, *Stratos* called to *He-Man*, "Sometimes steeds of metal and machinery beat wings and wits." Both smiled.

AYE, MASTER!

FORCED TO RETREAT, AND HE FREED THE  
GODDESS! BUT STILL, I HAD SUCCEEDED IN  
DRAINING SOME OF HER POWER, WHICH WAS  
EMBODIED IN THE FORM OF AN INFANT!"

SKELETOR HAS BEEN DEFEATED, MILADY!

YES, NOBLE MAN-AT-ARMS... BUT  
THERE IS STILL THE  
PROBLEM OF THIS CHILD!  
MY DUTIES DO NOT PERMIT  
ME TO ATTEND TO HER--  
SO I MUST LEAVE HER  
IN YOUR CARE!

I WILL  
RAISE HER AS  
MY OWN  
DAUGHTER!

AND IF YOU WILL  
PERMIT, NAME HER TEELA,  
AFTER YOU, GODDESS!

BUT THAT WAS  
THEN!-- THIS IS  
NOW... AND, WITH  
POINT DREAD AND  
THE TALON FIGHTER  
BACK ON ETERNIA  
AND YOUR  
CAPTURE, MY  
ORIGINAL PLAN  
CAN PROCEED  
ONCE AGAIN!

MORNING AT THE ROYAL  
PALACE OF ETERNIA...

I CANNOT UNDERSTAND  
WHERE MY DAUGHTER  
HAS DISAPPEARED TO,  
FRIEND HE-MAN!

FEAR NOT,  
MAN-AT-ARMS!

THE WARRIOR WOMAN HAS  
BEEN TRAINED WELL BY HER  
FATHER! SHE CAN TAKE CARE  
OF HER... HOLD!

THE BATTLE-RAM,  
GONE!-- SHE MUST  
BE IN TROUBLE!

WE RIDE TO FIND TEELA,  
GOOD MAN-AT-ARMS!  
BUT WHY DO YOU  
HOLD BACK?

I MUST STAY BEHIND,  
MY FRIEND--TO PURSUE  
ANOTHER PATH!

AND AFTER THEY  
DEPART...

HO, NOBLE MAN-AT-ARMS!  
I SENSED THAT I AM  
NEEDED HERE!

OUR DAUGHTER, GREAT  
WARRIOR... *OUR DAUGHTER!*

AYE, GODDESS... FOR THOUGH HE-MAN  
IS ETERNIA'S *MIGHTIEST HERO*, AND HIS  
FRIENDS BE BRAVE AND TRUE, I FEAR IT  
IS *WE* WHO MUST SAVE MY DAUGHTER!

WE HAVE *FAILED!*  
SKELETOR ESCAPES  
WITH TEELA AS HIS  
PRISONER!

AND SOON, ON  
THE RAMPARTS  
OF CASTLE  
GRAYSKULL  
ITSELF...

AT LAST! BECAUSE  
OF YOUR *LINK* WITH THE  
GODDESS, THE CASTLE  
ALLOWS ME TO TREAD ITS  
SURFACE! NOW, ALL  
*ETERNIA* IS *MINE!*

AND, DEEP WITHIN THE CASTLE...

BEHIND *THIS* DOOR  
RESIDES ALL THE  
POWER I HAVE  
EVER DREAMED  
OF! MINE  
NOW FOR  
THE  
TAKING!

NO,  
SKELETOR....!

EH...?  
WHO  
DARES...?

LATER... WELCOME MAN-AT-ARMS AND GODDESS! WHAT NEWS DO YOU BRING!?

WICKED SKELETOR HAS BEEN DEFEATED! ETERNIA IS SAFE AGAIN!

THAT IS GLAD TIDINGS! BUT WHAT OF TEELA?

SHE...

...IS...

...HERE!

IT FELT GLORIOUS TO BE WHOLE AGAIN! BUT TEELA HAS A LIFE OF HER OWN NOW, AND I WILL NOT DEPRIVE HER OF IT! AS FOR POINT DREAD AND THE TALON FIGHTER...

# THE MAGIC-STEALER!

DESPITE ALL HIS MYSTIC MIGHT, SKELETOR, THE MASTER OF EVIL, HAS NEVER BEEN ABLE TO DEFEAT THE NOBLE HE-MAN, CHAMPION OF ETERNIA! BUT NOW HE HAS A NEW PLAN, MORE DANGEROUS THAN ANY HE HAS EVER HATCHED BEFORE!

THIS TIME I CANNOT FAIL! IN MY SEARCH FOR THE KEY TO CASTLE GRAYSKULL I HAVE STUMBLED UPON A FAR MORE POTENT SECRET!

WITH THIS DEVICE I CAN ABSORB ALL THE MAGIC FROM ETERNIA! AND THEN I WILL BE LIKE A GOD AMONG A WORLD OF PUNY MORTALS!

-- I SHALL BE INVINCIBLE!

COLORED BY: ANTHONY TOLLIN

ATOP THE WORLD, AT ETERNIA'S NORTH POLE, SKELETOR IS FAR FROM THE REACH OF THE MIGHTY HE-MAN AND HIS ALLIES!

ONCE I THROW THIS SWITCH, THERE WILL BE NO POWER IN ETERNIA TO STOP ME ...

SHREEEEEEEEEEEE

FOR I WILL BE ALL OF ETERNIA'S POWER!

THE VERY WORLD AROUND SKELETOR EMITS A SHRIEK AS IF OF TORMENT, AS THE MACHINE BEGINS TO DRAIN IT!

AT THAT MOMENT, AT THE ROYAL PALACE OF ETERNIA...

HO! THIS WIZARD MANIPULATES HIS MAGIC SKILLFULLY!

AYE, THIS IS MOST AMUSING. STILL, HE COULD BE HANDSOMER!

NOW, DAUGHTER ... IT IS HIS TALENTS THAT ENTERTAIN US, NOT HIS ...

THEN...

URK

THE WIZARD SEEMS IN PAIN! AND I MYSELF FEEL A SUDDEN WEAKNESS.

AND ALL ABOUT US SEEMS ON THE VERGE OF COLLAPSE!

WAIT! WHAT IS HAPPENING?

AND ELSEWHERE, THE GODDESS  
COMMUNES WITH THE INNOCENT  
CREATURES OF ETERNIA'S WOODS...

YES, MY  
FRIENDS...  
THIS IS A  
LOVELY  
MOMENT  
OF PEACE  
AND  
TRANQUILITY  
THAT WE...

SUDDENLY...

UHHH...!  
SOMETHING  
... ATTACKS  
THE VERY  
CORE OF  
MY BEING...

MUST GET TO...  
HE-MAN... SEEK  
HIS AID...

LEST I... PERISH!

AND AT CASTLE GRAYSKULL,  
THE IMPREGNABLE, MYSTICAL  
FORTRESS WHERE ARE  
HIDDEN ALL OF ETERNIA'S  
GREATEST SECRETS...

THE MAGIC-SIPHON  
SHAKES IT TO ITS  
VERY FOUNDATIONS!

**WHOOOSSHHH**

AND AT THE PALACE...

BEHOLD! IT IS  
THE GODDESS!  
BUT SHE DOES NOT  
APPEAR...

...WELL...!

HE-MAN... HEED  
ME...! THIS MYSTIC  
DISTURBANCE...  
ORIGINATES IN  
THE NORTH!

IT STRIKES AT THE  
VERY FABRIC THAT HOLDS  
ALL ETERNIA TOGETHER!

BUT... SUCH A THING  
COULD SPLIT THE ENTIRE  
WORLD ASUNDER!

AYE! YOU  
MUST  
SAVE US!

SEND ME TO THE  
SOURCE OF THE  
ATTACK AND I WILL...

I CANNOT--I NO LONGER  
HAVE ENOUGH POWER!  
YOU MUST TAKE...

... THE  
ATTAK-  
TRAK!

**SOON...**

I AM SORRY I CANNOT BRING YOU WITH ME. I TRAVEL MUCH FASTER ALONE!

TAKE ZOAR, THE MIGHTY FALCON! HE WILL GUIDE YOU ON YOUR QUEST!

TAKE ZOAR, THE  
MIGHTY FALCON! HE  
WILL GUIDE YOU ON  
YOUR QUEST!

FAREWELL, MY FRIENDS!

THERE GOES ETERNIA'S LAST HOPE!

FOR ALL OUR SAKES... HE MUST PREVAIL!

THE GREAT  
FIGHTING  
VEHICLE CARRIES  
HE-MAN EVER  
NORTHWARD, ITS  
TREADS NEGOTI-  
ATING EVEN THE  
MOST PRECARIOUS  
OBSTRUCTIONS!

THE TERRAIN WORSENS  
AS I PROCEED! WHAT  
CAN BE THE CAUSE  
OF THIS CALAMITY?

THEN, DIRECTLY  
AHEAD OF THE  
INDOMITABLE  
HERO...

BY THE  
GODDESS!  
THE VERY  
EARTH  
RUPTURES!

IT IS PROCRUSTUS,  
THE GOD WHO HOLDS  
THE INNER WORLD  
TOGETHER WITH HIS  
MANY ARMS!

HO, MIGHTY  
ONE!-- DO  
NOT  
ABANDON  
YOUR DUTIES,  
LEST CATASTRO-  
PHE ENSUE!

EH...? OH--IT'S HE-MAN!  
WHY DO  
YOU  
RESTRAIN  
ME?

SOMETHING  
TO THE NORTH  
DRAWS ALL THE  
MAGIC FROM  
ETERNIA! BUT  
I CANNOT ALLOW  
YOU TO GIVE  
YOURSELF UP  
TO IT!

YOU MUST STAY  
HERE AND HOLD  
THE WORLD  
TOGETHER! I  
WILL END THIS  
DIRE THREAT!

UHHHH!

**THOOM!**

HOLD FAST,  
GIANT, AND  
HAVE FAITH!  
I WILL  
PREVAIL!

I WILL TRY,  
HE-MAN, FOR  
ETERNIA'S  
SAKE! BUT  
THE LURE OF  
THE MAGIC-  
SIPHON IS  
STRONG!  
--HURRY!

FARTHER  
ON, A NEW  
HAZARD  
ASSAILS  
ETERNIA'S  
HERO!

EH...? MADDENED SPIRITS  
OF THE AIR ATTACK ME!  
BUT I CANNOT ALLOW  
THEM TO HALT MY  
PROGRESS!

HUH?

THEN...

CRAARRR!

HA! NOBLE ZOAR, THE  
WINGED WARRIOR, COMES TO  
MY AID! THE "AIR-SPIRITS"  
CANNOT STAND AGAINST BOTH OF US!

AT LAST, FAR AHEAD, HE-MAN SEES...

THAT MUST BE THE  
SOURCE OF THE MAGIC-  
DRAIN! SO STRONG IS ITS  
PULL HERE THAT EVEN  
GREAT ZOAR CAN NO  
LONGER REMAIN ALOFT!

COURAGE, MY FRIEND...  
WE WILL SOON PUT  
AN END TO THIS!

AND, FROM WITHIN  
THE HEART OF THE  
MAELSTROM OF  
MYSTIC MIGHT, THE  
MASTER OF EVIL  
SEES...

HE-MAN!...

-- IT CANNOT BE! I CONTROL  
THE MIGHTIEST FORCES OF  
ALL ETERNIA NOW, YET  
STILL HE COMES!

SKELETOR... I KNEW THIS MUST BE  
YOUR DOING! BUT I AM COMING FOR  
YOU, EVIL ONE, AND NOTHING CAN STOP ME...

... NOTHING!!

FOR I HAVE  
SOMETHING THAT  
YOU IN ALL OF  
YOUR EVILNESS...

THROUGHOUT ETERNIA--

IN THE FORESTED PARADISE  
WHERE RESIDES THE GODDESS...

AND EVEN AT THE USUALLY TEMPEST-  
TOSSED CASTLE GRAYSKULL...

AND MOST ESPECIALLY IN THE ROYAL  
PALACE OF ETERNIA, WHERE JOYOUS  
THRONGS CHEER THEIR GREATEST HERO...

ALL IS  
WELL  
ONCE  
MORE...

...FOR HE-MAN HAS SAVED THE DAY!

"THE POWER  
OF...*POINT*  
*DREAD!*"

PERHAPS I  
STILL CANNOT  
BREACH THE DEFENSES  
OF CASTLE GRAYSKULL--  
BUT AS LONG AS I  
HAVE THE MYSTIC  
CRYSTAL OF  
THE CAVERNS, THE  
ONLY THING THAT  
WILL ALLOW ME  
TO FOCUS ALL MY  
PSYCHIC  
ENERGIES ON  
THE TALON  
FIGHTER...

ONCE SKELETOR USED  
THE MYSTIC MIGHT OF  
POINT DREAD TO  
ENDANGER ALL  
ETERNIA. BUT THE  
GODDESS SPIRITED  
THE ENTIRE STRUCTURE  
OFF TO CASTLE  
GRAYSKULL, MERGING  
IT WITH THE MYSTIC  
STRONGHOLD.

BUT NOW THE  
MASTER OF EVIL  
HAS FOUND  
MEANS TO SECURE  
POINT DREAD  
FOR HIS OWN  
TWISTED  
PURPOSES  
ONCE MORE...  
AND SOON  
ETERNIA WILL  
TREMBLE AGAIN  
BEFORE...

# THE POWER OF... POINT DREAD!

WRITER • PENCILLER • INKER • COLORIST • EDITOR

I WILL HAVE THIS TREASURE, CASTLE GRAYSKULL, AND EVEN YOU MAY NOT RESIST ME! NOT SO LONG AS I HAVE THE CRYSTAL!

THE  
MASTER  
OF MENACE  
REVELS  
IN HIS  
SUCCESS...

NOW COMES THE MOMENT WHEN I **PLUCK** POINT DREAD ITSELF FROM THE CLUTCHES OF THE CASTLE! AND THEN... LET ALL ETERNIA FEAR MY WRATH! AND ESPECIALLY, MY ENEMY... HE-MAN!

THE VILLAIN TAKES TO THE AIR IN HIS NEW VEHICLE, AND...

THESE MYSTIC GRAPPLES  
WILL TEAR APART THE  
MAGICAL ROOTS THAT ANCHOR  
POINT DREAD IN PLACE!  
WHEN THE ENGINES OF  
THE TALON FIGHTER  
PRODUCE FULL  
THRUST...

THERE IS NO POWER  
THAT CAN LONG  
WITHSTAND IT! HA!  
POINT DREAD IS  
MINE ONCE  
MORE!

... BUT HOLD....! THE  
CRYSTAL....!

I HAVE LOST IT!  
IT IS DESTROYED!

BUT NO MATTER! POINT DREAD  
IS MINE, AND SHALL NEVER AGAIN  
BE PART OF CASTLE GRAYSKULL.  
THUS I NO LONGER HAVE NEED OF...

THE CRYSTAL  
OF THE CAVERNS!

AND NOW, THERE  
IS *MUCH* PLANNING  
TO DO...

...AND A *WORLD*  
TO CONQUER!

**SOON THE FOREMOST VILLAIN OF ETERNIA  
PLOTS WITH HIS UNDERLINGS THE WORK-  
INGS OF HIS NEXT FOUL DEED!**

I HAVE HAD ENOUGH OF DEFEAT, MY  
LACKEYS! IT IS TIME FOR A MORE  
*DIRECT* APPROACH!

BUT HOW  
WILL IT BE DONE,  
MASTER?

THAT YOU WILL LEARN  
WHEN THE *TIME* COMES.  
BUT BE ASSURED--  
ETERNIA WILL FALL...

...TO  
SKELETOR!

SOME TIME LATER, AT THE ROYAL PALACE, TWO OF ETERNIA'S GREATEST HEROES SURVEY THE WORLD THEY ARE SWORN TO DEFEND!

ALL HAS BEEN MOST PEACEFUL FOR LONG WEEKS, MAN-AT-ARMS -- SO PEACEFUL THAT OUR FRIENDS, TEELA, BATTLE-CAT AND RAM-MAN HAVE GONE FORTH SEEKING ADVENTURE!

I, TOO, LONG FOR ACTION, EXCITEMENT!

THINK TWICE OF SUCH DESIRES, GOOD HE-MAN, FOR I FEAR YOUR LONGINGS ARE ABOUT TO BE ANSWERED...!

BEHOLD!

EH...? WHY THAT LOOKS LIKE POINT DREAD! BUT WHAT IS IT DOING HERE!?

THE ANSWER TO HE-MAN'S QUESTION IS NOT LONG IN COMING, AS...

BUT BEFORE THE  
HEROES CAN MOVE  
TO DEAL WITH THE  
ASSAULT, ANOTHER  
BLAST ROCKS  
THE PALACE!

HA! NOW I REALLY HAVE  
THEM! THEY WILL NEVER  
BE ABLE TO RESIST THE  
COMBINED POWER OF  
POINT DREAD AND  
THE TALON FIGHTER!

I WILL TAKE COMMAND  
OF THE PALACE'S  
DEFENSES, HE-MAN!  
YOU MUST DEAL  
WITH THE THREAT  
OF SKELETOR AND  
THE TALON FIGHTER!

AYE, MAN-AT-  
ARMS! BUT I  
WILL NOT  
FACE THE  
VILLAIN  
ALONE!

AND, IN THE SKIES OVERHEAD...

THIS IS A *PERILOUS SITUATION* INDEED! FOR EVEN THOUGH WE ARE *TWO* AGAINST *ONE*, THE TALON FIGHTER IS THE *MIGHTIEST* FLYING MACHINE IN ALL ETERNIA!

NO! SKELETOR HAS GREAT ZOAR IN HIS SIGHTS!

EVADE HIM, ZOAR!  
BEWARE HIS...

SQUAAAAA!

...LASERS...!  
TOO LATE--  
HE'S HIT!

HA! THAT'S ONE DOWN! AND NOW FOR YOU, HATED HE-MAN...!

HE'S ON MY TAIL!  
CAN'T SHAKE HIM!  
BUT I MUST DO  
**SOMETHING**--  
ETERNIA DEPENDS  
ON ME!

YES--**FLEE**,  
HE-MAN! BUT  
YOU CANNOT  
ESCAPE ME!  
THIS TIME  
SKELETOR  
WILL WIN!  
THIS TIME,  
YOU WILL  
DIE!

ONLY ONE CHANCE  
... THE WIND  
RAIDER IS MORE  
**MANEUVERABLE**  
THAN THE TALON  
FIGHTER...  
MUST TRY TO  
USE THAT  
ADVANTAGE...!

TRY WHAT YOU WILL, HE-MAN  
--THE LONGER YOU LAST,  
THE **SWEETER** SHALL BE  
MY VICTORY!

MUST MAKE  
HIM FOLLOW ME  
WHILE I...

...DIVE!

AND SO THE TWO  
SHIPS PLUMMET  
EARTHWARD! BUT  
THERE IS ONE WHO  
REALIZES HE-MAN'S  
PLAN...

SOON, HE-MAN  
LANDS TO FIND  
THE PALACE  
SECURED...

WELL FOUGHT,  
MAN-AT-ARMS!  
YOU HAVE  
OVERCOME THE  
INVADERS!

NAY... THE CREDIT GOES TO YOU, HE-MAN -- THE  
FIGHT WENT OUT OF THEM ONCE  
THEY SAW THEIR MASTER FALL!

HO, GREAT  
ZOAR-- MY  
HEART SINGS  
TO SEE  
YOU ALIVE!

AYE-- I BUT HAD MY  
TAIL FEATHERS *SINGED*!  
WE HAVE WON A GREAT  
VICTORY TODAY... BUT  
I WONDER...

WHAT HAS BECOME  
OF SKELETOR, BEAST-  
MAN, THE TALON  
FIGHTER... AND  
*POINT DREAD*!?

FAR, FAR AWAY, TWO BRUISED AND BATTERED VILLAINS SLOWLY BEGIN TO RECOVER FROM THEIR WOUNDS...

OHMM...

WHAT HAPPENED...? MY HEAD...

I TRIED TO WARN YOU, MASTER...

NO MATTER, LACKEY! WE'LL JUST RENEW OUR ATTACK AND...

OH, NO-- NO!

POINT DREAD AND THE TALON FIGHTER ARE BACK ATOP CASTLE GRAYSKULL! AND WITH THE CRYSTAL OF THE CAVERNS SHATTERED, I CAN NEVER REGAIN CONTROL OF THEM!

CURSE YOU, HE-MAN! YOU HAVE FOILED ME AGAIN! BUT SOMEDAY... I'LL BEAT YOU! SO SWEARS SKELETOR!

BUT THOUGH THE VILLAIN RANTS AND RAGES, ETERNIA IS SAFE... FOR NOW!..

THE END

HIDDEN DEEP WITHIN HIS MOUNTAIN LAIR, SKELETOR GRINS HIS DEADLY GRIN. HIS NEWEST PLOT CANNOT FAIL. HE HAS PLANNED FOR EVERYTHING, EVERYTHING, THAT IS, EXCEPT...

## THE POWER OF POINT DREAD!

BEHOLD, BEAST MAN. SOON I WILL BE ABLE TO ENTER CASTLE GRAYSKULL FREELY AND LEARN ITS MANY SECRETS.

BUT, MASTER - WHAT ABOUT HE-MAN? HE IS ALWAYS THERE TO GUARD THE CASTLE.

IN MOMENTS, ETERNIA'S NEW PROTECTOR  
IS AT THE NORTH WALL.

BACK, FOUL  
DEMON. YOU  
ARE NO MATCH  
FOR HE-MAN!

THIS IS ANOTHER  
OF SKELETOR'S  
NIGHTMARISH  
TRICKS!

LOOK, HE-MAN.  
THEY'RE RETREATING  
INTO THE FOOTHILLS!

I'M GOING  
AFTER THEM.  
YOU STAY HERE,  
MAN-AT-ARMS,  
IN CASE THERE'S  
ANOTHER  
ATTACK!

WHA-? WHY  
IT'S ZODAC!  
THE COSMIC  
ENFORCER!

GREETINGS, HE-MAN.  
I AM HERE TO RIGHT A GREAT  
WRONG. FOLLOW ME.

THERE IS A BALANCE TO THE UNIVERSE WHICH MUST BE KEPT, BUT SKELETOR HAS UPSET THAT BALANCE BY PLAYING A TERRIBLE TRICK ON YOU WITH HIS ENERGY-BLADE.

YES, I KNOW THAT NOW. BUT HOW CAN I GUARD CASTLE GRAYSKULL WHEN ETERNIA NEEDS ME AS WELL? HOW CAN I BE TWO PLACES AT ONCE?

HERE IS YOUR ANSWER, HE-MAN. BEHOLD--POINT DREAD, IT WAS CREATED BY THE SAME SCIENTISTS WHO BUILT CASTLE GRAYSKULL AGES AGO BEFORE THE GREAT WAR. POINT DREAD MOVES THROUGH BOTH TIME AND SPACE, SO YOU CAN GO ANYWHERE IN ETERNIA IN AN INSTANT! JUST FLY THE TALON FIGHTER ABOVE IT TO ANY-PLACE YOU WANT TO GO.

THE SCALES OF DESTINY ARE ONCE AGAIN BALANCED. FAREWELL, HE-MAN.

HE'S GONE. WELL, LET'S SEE WHAT POINT DREAD LOOKS LIKE INSIDE.

HMM. A MONITOR OF GRAYSKULL. AND LOOK, SKELETOR AND BEAST MAN ARE JUST OUTSIDE ITS WALLS. I MUST GET THERE QUICKLY!

HE-MAN LEAPS TO THE CONTROLS OF THE TALON FIGHTER.

THIS BATTLE PLANE WAS DESIGNED FOR TWO PILOTS, BUT I DON'T HAVE TIME TO FIND SOMEONE ELSE. I MUST FLY THIS ALONE. SKELETOR MUST BE STOPPED!

AND SO, WITH HIS MIGHTY STRENGTH AND SKILL, HE-MAN FORCES THE GIANT WAR BIRD SPEEDING TOWARD CASTLE GRAYSKULL.

AT THAT SAME MOMENT, SKELETOR IS EYEING HIS NEW PRIZE.

JUST THINK, BEAST MAN. NOW I CAN TAKE OVER CASTLE GRAYSKULL AT MY LEISURE, CONFIDENT THAT HE-MAN IS HOURS AWAY FROM HERE PROTECTING HIS FOOLISH LITTLE KINGDOM. HA, HA, HA.

IN A FLASH, HE-MAN FINDS HIMSELF AT CASTLE GRAYSKULL!

SURRENDER TO THE POWER OF POINT DREAD!

YOU WIN THIS TIME, HE-MAN. BUT I'LL BE BACK!

YAH! THAT PLANE IS TOO POWERFUL FOR US, MASTER. WE MUST FLEE! AHHH!

AS HE-MAN LANDS THE TALON FIGHTER ATOP THE CASTLE, POINT DREAD REAPPEARS, AND IT ATTACHES NEATLY TO THE TOP TOWER.

AH, AN ADDED BONUS! POINT DREAD IS ALSO MY KEY TO CASTLE GRAYSKULL. I'M ALREADY INSIDE!

THAT'S CORRECT, HE-MAN.

YES. ONCE AGAIN, YOU HAVE SAVED THE CASTLE FROM SKELETOR, HE-MAN. I THANK YOU.

THE SPIRIT OF CASTLE GRAYSKULL!

NO, THANK THE POWERS OF GOOD FOR POINT DREAD AND THE TALON FIGHTER. WITHOUT THEM, I NEVER WOULD HAVE ARRIVED IN TIME.

RETURN NOW TO YOUR CITY. SKELETOR'S SPELL IS BROKEN. THE KING IS WELL AND THE MONSTERS HAVE VANISHED.

FAREWELL!

IN MOMENTS, HE-MAN IS BACK IN THE KINGDOM OF ETERNIA. THANKS TO THE TALON FIGHTER AND POINT DREAD.

HE-MAN, WE JUST RECEIVED WORD FROM THE SORCERESS THAT YOU DEFEATED SKELETOR AT CASTLE GRAYSKULL. BUT HOW? YOU'VE ONLY BEEN GONE TEN MINUTES.

HA, HA. WELL, LET'S JUST SAY I GOT THE POINT.

DO YOUR EYES DECEIVE YOU? ARE HE-MAN AND MAN-AT-ARMS REALLY LOCKED IN MORTAL COMBAT? IF SO, THEN IT IS A BAD OMEN OF THINGS TO COME. IT COULD MEAN...

# DANGER AT CASTLE GRAYSKULL!

I HAVE  
YOU NOW,  
HE-MAN!

NEVER,  
MAN-AT-ARMS,  
DEFEAT SHALL  
BE YOURS!

OVERHEAD, ZOAR, THE SORCERESS' FALCON ARRIVES WITH A MESSAGE.

BY YOUR LEAVE, HE-MAN. THERE IS TROUBLE. SKELETOR AND HIS MEN HAVE BEEN SPOTTED APPROACHING CASTLE GRAYSKULL FROM THE NORTH. THEY ARE ONLY A SHORT MARCH AWAY FROM IT.

WE'LL TAKE THE TALON FIGHTER. WE MUST GET THERE QUICKLY!

BUT HE-MAN, THE TALON FIGHTER CAN ONLY CARRY TWO OF US.

NO, YOU GO AHEAD, FATHER. I'LL TAKE THE ATTAK-TRAK AND MEET YOU AT CASTLE GRAYSKULL LATER. NOW GO.

FROM BEHIND A ROCK STEPS...

SKELETOR, I MIGHT HAVE KNOWN YOU WERE BEHIND THIS. RELEASE MAN-E-FACES FROM YOUR SPELL.

NO, MY DEAR. I STILL HAVE NEED OF HIM... AND YOU, AS WELL. I SHALL PLACE YOU UNDER MY CONTROL. ENERGY-BLADE, WORK YOUR SPELL.

NO, I WON'T LET Y... UNH!

HA, HA, I KNEW HE-MAN WOULD FLY AHEAD AND LEAVE TEELA TO FOLLOW. NOW I HAVE HER **AND** THE ATTAK-TRAK. WHAT IS THAT,?

SUDDENLY, A SMOKE SCREEN BILLOWS OUT OF THE ATTAK-TRAK.

≡ COUGH ≡ COUGH ≡ CURSE THIS MACHINE! IT MUST HAVE A DEFENSE SYSTEM. BAH - LEAVE IT HERE TO ROT. LET'S GET TO CASTLE GRAYSKULL.

LATER, AT CASTLE GRAYSKULL...

TRI-KLOPS, USE YOUR GAMMA VISION TO LOOK AROUND THIS CORNER. WHAT DO YOU SEE?

HE-MAN AND MAN-AT-ARMS ARE STANDING IN THE WATCH-TOWER, MASTER.

EXCELLENT! NOW IT'S TEELA'S TURN TO HELP ME. GO FORWARD, MY DEAR AND CALL HE-MAN.

HE-MAN. I AM HERE. OPEN THE JAW-BRIDGE.

YES, RIGHT AWAY, TEELA.

DROP YOUR WEAPONS, HE-MAN. AND REMOVE YOUR SUPER SUIT. THAT'S RIGHT. HA, HA, HA. NOW I AM MASTER OF CASTLE GRAYSKULL AND I WILL LEARN ITS SECRETS. TRAP-JAW, TAKE THESE THREE AWAY TO THE DUNGEON.

BELOW GROUND IN THE DUNGEON...

HA, HA, HA, WHO'D HAVE THOUGHT IT. THE MIGHTY HE-MAN LOCKED UP IN A DINGY CELL!

QUIET, FOOL!

YAH!

MY, MY, IS THAT THE BEST THE GREAT HE-MAN CAN DO? JUST THROW WATER? HA, HA, HA.

JUST FOR THAT, I'M GOING TO STAY AND KEEP YOU COMPANY. SAY DID I EVER TELL YOU ABOUT THE TIME I FOUGHT OFF SIXTEEN GIANT SPIDERS IN...

DON'T TALK TO ME. JUST LEAVE ME ALONE!

WHAT'S THAT?  
WHAT ARE YOU  
DOING?

SEEMINGLY OUT OF  
NOWHERE, THE BATTLE  
FALCON, ZOAR SWOOPS  
DOWN AND DROPS A  
BOMB FROM HIS  
BACKPACK!

GREAT SHOT,  
ZOAR! YOU  
BLEW HIM  
RIGHT  
OVER THE  
CASTLE  
WALL!

CURSE YOU,  
HE-MAN! YOU  
AND ALL YOUR  
FRIENDS AND  
YOUR WEAPONS  
AND... OW!

LOOK,  
HE-MAN,  
IT'S ATTACK-  
TRAK! IT'S  
FIRING  
LASERS AT  
SKELETOR!

HA, HA, HA!  
I THINK YOU  
WERE RIGHT,  
MAN-AT-  
ARMS. THAT  
MACHINE  
DOES HAVE  
A MIND OF  
ITS OWN!

WELL, THERE  
GOES SKELETOR  
AND HIS BAND,  
MAN-E-FACES.

AND HIS  
SPELL OVER  
ME IS NOW  
BROKEN.

THAT ONLY  
LEAVES OUR  
JAILOR, TRAP-  
JAW TO DEAL  
WITH. WHAT  
SHOULD WE  
DO WITH OUR  
RUSTED FOE?

PERHAPS  
YOU CAN  
USE HIM AS  
A DUMMY  
FOR COMBAT  
PRACTICE,  
EH? MAN-  
AT-ARMS?  
HA, HA  
HA!
